## *Who are we?*

### **Let's get acquainted.**

We are Stramit Outdoor, a new name in the Aussie Patio & Lifestyle market.

Previously known as SOL Home Improvements, Stramit Outdoor is about more than just the product – patios, carports, verandahs and pergolas – we are about creating outside living solutions that support your life. Imagine a new patio to host friends and to enjoy family BBQs. Imagine a carport fit for your family car that enhances your home. Imagine your happy place and our network of licensed distributors can work with you to turn it into reality.

While you'll be supported day-to-day by your local Stramit Outdoor licensed distributor, know that they're supported by us and our extended family of brands nationally. One of Australia's largest steel roll formers, Stramit, is our parent company with manufacturing sites and distribution networks across the country – in fact, our family extends to other Fletcher Building brands including Laminex, Oliveri, Tradelink and more. So feel assured we've got your back.

Start those steps today, by downloading our app, visiting our website or reaching out to one of our network members.
